

# **COURSE OUTLINE**

## **Confined Space**

### **(Gas Testing and Permit Issuer)**

#### **Course Details:**

This course reflects the skills required for individual roles in the workplace who perform tasks involving a broad range of skilled applications applied in workplace tasks involving:

-  Conduct a hazard analysis
-  Enter and work in confined spaces
-  Testing a working atmosphere, using electronic test apparatus to find out if it is safe for proposed work
-  Issue work permits (clearances) to persons conducting activities in workplace environments in which hazards exist or specific procedures that need to be followed and monitored to protect the safety of personnel and the integrity of plant or process

#### **Entry requirements:**

An individual undertaking this Confined Space (Gas Testing and Permit Issuer) course with Risk Management Training Solutions (RMTS) will need to demonstrate the following to be eligible for entry:

-  Have access to appropriate Personal Protective Equipment (PPE)
-  It is recommended that participants have sufficient English language, literacy, numeracy and visual interpretation skills to successfully complete this course.

#### **Unique student identifier (USI):**

Any individual undertaking nationally recognised training will need a USI in order to receive their Qualification or Statement of Attainment. If you do not have a USI, you will not receive your Qualification or Statement of Attainment. A USI will give you access to an online record of any training you have completed since 1st January 2015. All individuals will be required to either apply for or provide a valid USI number on enrolment. Application for a USI number can be made directly through the USI website: <https://www.usi.gov.au/about> or via our website link.

If you require assistance in creating your own USI, please contact RMTS on 07- 5455 5451

#### **Licensing, legislative, regulatory or certification considerations:**

Licensing, legislative, regulatory and certification requirements that apply to RIIWHS202E Enter and work in confined spaces unit can vary between states, territories, and Industry sectors. Relevant information must be sourced prior to application of the unit.

No licencing, legislative or certification requirements apply to the other units in this course at the date of publication.

#### **Pathways into the course:**

Participants may enter this course through a number of entry points, demonstrating the potential to undertake vocational education and training at this course level, such as:

-  Participant direct enrolment
-  Employer enrolment (part of your role)
-  Requirement for entering the industry

### Pathways from the course:

After achieving the Confined Space (Gas Testing and Permit Issuer) Course, participants may be eligible to undertake further study to achieve a range of qualifications relevant to their role, such as:

-  PUA30619 - Certificate III in Public Safety (Firefighting and Emergency Operations)
-  RII30719 - Certificate III in Emergency Response and Rescue
-  PUA30719 - Certificate III in Public Safety (Firefighting Operations)

### Course Delivery:

This course will be delivered in the workplace or at RMTS training facilities.

### Duration:

Full course: 2 days (8 hrs each day)

### Course Structure:

As part of this course the following unit competencies will be delivered:

- **RIIWH202E - Enter and work in confined spaces**
- **MSMWHS217 - Gas test atmospheres**
- **MSMWHS201 - Conduct hazard analysis**
- **MSMPER300 - Issue work permits**

### Pre-requisites:

Unit of Competency	Pre-requisite Unit
MSMPER300 Issue work permits	MSMWHS201 Conduct hazard analysis

Further details of unit pre-requisite requirements will be provided at enrolment and on course commencement.

### Assessment requirements:

Individuals undertaking this course will be expected to complete both written and practical assessment tasks.

### Inclusions:

-  Practical hands-on training delivered by industry experienced trainers
-  Knowledge on relevant legislation and Australian
-  Recommendations and advice for specialised PPE and equipment for your particular workplace
-  Advice on risk control methods for the type of work to be undertaken

### Recognition of Prior Learning (RPL):

If you believe you already hold some or all of the skills, knowledge and/or experience for this course, you may be eligible to apply for Recognition of Prior Learning (RPL). You are encouraged to refer to our Participant Handbook and RPL/CT Handbook which can be downloaded from our website and speak with RMTS prior to commencing training.

### Course fees:

The fee for this course is **\$690 per person**

No Statement of Attainment will be issued until full and final payment has been received.

### **Payment methods:**

RMTS have eftpos facilities available, or payments can be made by direct deposit or cash. For larger organisations seeking training options, RMTS offer purchase orders.

### **Refund policy:**

- A full refund will apply where RMTS cancels the course prior to commencement.
- A full refund of the course fees paid will apply where the participant withdraws in writing 14 days or more prior to the course commencing.
- 75% refund of the full amount of course fees paid where the participant withdraws in writing less than 14 days but more than 7 days prior to the course commencing.
- 50% refund of the full amount of course fees paid where the participant withdraws in writing less than 7 days but more than 3 days prior to the course commencing.
- No refund where the participant withdraws less than 3 days prior to the course start date or after commencement of the course unless special circumstances apply. Evidence must be submitted e.g. Medical Certificate

A full copy of our refund policy can be downloaded from the website.

### **Course completion:**

On successful completion of all unit requirements, participants will be issued with nationally recognised Statement of Attainment for:

- **RIIWH202E - Enter and work in confined spaces**
- **MSMWHS217 - Gas test atmospheres**
- **MSMWHS201 - Conduct hazard analysis**
- **MSMPER300 - Issue work permits.**

Participants who do not complete all requirements of the course will be issued with a Statement of Attainment for the unit/s completed successfully.

### **How to apply:**
